

ALERT

GIT recently came across a counterfeit of our Gem Identification Card. Thus we would like to inform some noticeable points on the genuine GIT's card as follows:

Front side

- A1. GIT's Logo, the fonts of institution name and GEM IDENTIFICATION CARD are sharp and clear.
- A2. Background color gradually fades from the top.
- A3. GIT No. according to GIT system
- A4. Sharp and clear "GIT" letter on the left-hand side
- A5. Stone's photo always appears on the right-hand side.

Back side

- B1. GIT's card running number for internal checking

For further inquiry and information, please contact the GIT GTL directly at Tel. 0 2634 4999 ext. 409 or email to jewelry@git.or.th

Any forgery to the institute's gem identification report and/or any cause damaging to the institute, legal action will be prosecuted in accordance with both civil and criminal laws.
